Cath loves her midnight mass – a mass of horny men that is. "My flatmate goes out to church every Christmas Eve and as soon as she's out the door, I'm on the blower for a couple of lads to come round. I get humped hard, till I'm warbling like Aled Jones. When she gets back, I say I've been watching Songs Of Praise!" One thing's for sure – we'll be making a midnight mess in our pants!

## Shaven sent

**R**ecently I shaved my wife's pussy. It turned us both on so much we ended up having a wicked sex session.

I sucked on her plump denuded pussy's outer labia, before burrowing my mouth between them, nuzzling my face against her smooth, soft skin. It got her just as horny too – I could feel the juices pouring out of her and smearing on my face as I licked and sucked her.

She loved sharing the taste of her own pussy from my lips.

She said she wanted me to fuck her now, and see my cock penetrate her shaved hole. Too

bad she kept on closing her eyes, as well as biting her lip with pleasure as I slipped in. I thought maybe I'd film her with my camera-phone next time, so we could both relive

the moment. Then I couldn't think of anything but how hot and tight – and totally gushing wet – her snatch felt around my tool.

I fucked her as long and slow as I could manage, then stroked in a few times before pulling out. Then I rubbed my cock head against her clit, using the friction to bring myself off as she came too. I spunked all over her crotch, watching as each new squirt ran down the smooth pink folds.

Then I used it to smear it all over her, from the tip of her slit right down her crack.

I told Kelly she would have to let it grow back so next time she shaved it off we'd both be as excited again.

## The hard sell

**L**ooking to change my car, and after browsing several showrooms, I finally found the car I wanted.

A salesman came over to me as I was looking at it. He gave me all the info I needed and said if I wanted to take it for a test drive he would take me out.

He was a lot younger than me, probably in his early thirties and quite good-looking. I agreed and he arranged for the car to be brought round.

I sat in the passenger seat and as I was wearing a short skirt, it rode right up to reveal most of my thighs. He commented on my tanned legs and said that for my age they were still in good shape.

I thought he was being a bit forward but didn't mind as I quite fancied him and judging by the bulge in the front of his trousers he thought the same about me.

His name was Jason, and as we drove out of the forecourt he said with a glint in his eye that we wouldn't take the normal test route and use a different one instead.

I could feel the telltale

turn to moan and groan.

We couldn't hold back any longer – I took off my top and knickers, rolled my skirt up

long time but Jason told him with a smirk that we had been caught in traffic.

Needless to say I bought

twinge between my legs and was hoping that I wouldn't leave a wet patch on the seat.

Once out on the road, we swapped places and he directed me which way to drive. We ended up at some disused ground where Jason asked me to stop the car. He said he wanted to show me the back of the motor.

We got out and I opened

He put his hand on my knee and I opened my legs wider. He moved his hand up between my legs and felt the damp patch on my knickers.

Then Jason moved my knickers to one side and two fingers quickly slid into me. I groaned

around my waist, got out of the car and leaned over the bonnet. Jason came behind me, his big stiff cock standing to attention in front of him.

I spread my legs and he stuffed his cock deep into my cunt, fucking me hard and long. I came three times before he did.

When Jason said he was about to cum, I turned around and, putting his cock in my mouth, let him shoot his creamy jizzzy load down my throat. I swallowed every drop with relish.

We tidied ourselves up and drove back to the car showroom. His boss had noticed we had been a

the car – but not before I had had another test drive with my Jason!

Hope readers liked my story. Contact me if you did!

and opened my legs wider still. His other hand moved on to my tits. I only had a thin vest top on and as his hand squeezed on my bare tit I groaned louder and I could feel my juices beginning to flow.

I reached over and unzipped his trousers – his cock sprung out and he was huge. I bent forward and put his cock in my mouth and began to suck hard.

### STRONIC BOOM BOY

This mind-blowing sex toy from quality designer Fun Factory should be the next addition to your pleasure chest this Christmas. The Stronic Eins – translated as Strong One – is like nothing we've ever tested before. It's certainly more than an enthusiastic vibe mode on your average sex toy. This is more of a thruster, wanting to plunge to the depths of your vaginal hot-spots like no other toy on the market. The Stronic doesn't rely on some weird spring-loaded mechanism or wave motion. It has one elongated motor that moves back and forth to create a most life-like thrusting action. Scroll through 10 different pulsating modes – there really is enough variation that you can mix up your tempos, just as you would in a realistic sex session. Fully waterproof, made from the highest quality silicone and fully rechargeable.

I start Christmas Day with about a pint of Bucks Fizz – I'm not going to get a buzz from a Terry's Orange and Mary Poppins on the box. Things would be better if I had something like Charlie Z and her stunning hatpegs to unwrap on Christmas morning.

### WRAPPER'S DELIGHT!

**Dear Julia**

I've just finished reading vol 32 no 11. Wow! This might be the best issue of Escort yet! First of all you give us the absolutely gorgeous Raphaella – she is amazing! One of the sexiest women I've seen. Then you give us delectable Samantha dressed as a devil. I've never wanted to be a pumpkin so much in my life! And then as if those two aren't enough, you went and gave us the perfect Sherry! Her pictures will keep me going for a long, long time. By the way, can I add my vote to that of Alex from Milton Keynes? I too would love to see you

in Escort again. Thank you, and keep up the good work!

Michael, Cumbria.  
P.S. Please can you ask Sherry if she'll let me have a pair of her knickers?

**Julia says:** More Raphaella coming very soon, Michael. And there's plenty of her to go round... we love a big curly slut with monstrous jubbies!

**Dear Julia**

Sinking into a hot bubbly tub with cover girl Ava has been my fantasy ever since purchasing vol 32 no 12! I would wash and soap every inch of her, paying attention to her lovely round bum cheeks and the little tuft of hair sitting pretty at the top of her neat, tasty-looking pussy. Then I'd lie back and let her return the favour with an all-body soapy massage! Patrick, Walthamstow.

women looking for a bit on the side, but the one that really stood out was from this 19-year-old student living in Birmingham. The picture she sent with her

reply showed that she had a perfect little body and her message said she liked to use it – and have it used. That was all she said, which was tantalizing enough to get me straight in contact with her.

I must have broken the speed limit

**R**ecently, while surfing the internet, I found myself flicking through the 'casual encounters' section of a popular internet bulletin board – basically people who are looking for a shag and nothing more.

I was surfing one-handed by the time I'd finished scrolling through all the women, and decided to put myself on it, just to see what turned up. I've had enough birds drool over my seven-inch cock to know it's my best ad for myself.

**She bit her way down my chest**

So I took a couple of pictures of it to post online.

I got a few replies from gay men – thanks but no thanks! – and some older

all the way to Brum. We met in a pub – she was even sexier in real life than I'd expected, with a light brown bob and a cleavage that attracted attention not just from me, but a few of the other punters. Her nipples were clearly visible beneath her sheer top as well.

Then she took me to a hotel room she'd booked and we headed up to her room. She said that I could call her Holly, although this wasn't her real name, and made it clear that this would be just a one-off.

The second the door was shut she pounced on me, virtually clawing my flies open as we had our first kiss. Once she'd got my clothes off, she started wanking my cock, then licked and gently bit her way down my chest and belly, finally taking my rigid prick into her mouth for a good sucking.

Her mouth was hot and tight, her tongue licking me all over my helmet.

As I stroked the back of her head she deep-throated me, staying on it until she needed to take a breath. I was sort of relieved when she pulled back – one more second and I'd have emptied my bollocks

down her throat.

I thought I'd just lie back and let her take the lead, but she seemed to get off on a bit of direction from me. One time she let my dick slip out of her mouth, smiling up at me as she wanked it. "Did I tell you to stop sucking?" I asked her, just joking. She said sorry and went back to it, but the wicked look she gave me told me she wasn't sorry

about any of this.

No disrespect to Holly, but she's what one of my mates would call a "throwabout" – basically a bird so small and light you can just pick her up, spin her round and get her into the best position for a good, hard fucking. When you've got a woman like that there's really nothing you can do but take advantage, so I did!

The first time I got my cock up her cunt, I had her go on top, as I was a little worried that I might crush her. She squatted over me, balanced on her feet, bouncing up and down on it. She took my entire length, and I watched as I thrust up and into her. When I had just the tip of it inside her pussy, it looked too massive for her to take. But as I crammed it up her, she seemed to swallow it inside her.

Then, just for the hell of it, I had her

## Crash bang

I try to be a good neighbour, so when I heard this loud crash from the flat upstairs, I went up to check everything was OK.

It was nothing serious – a kitchen shelf had collapsed, sending all the

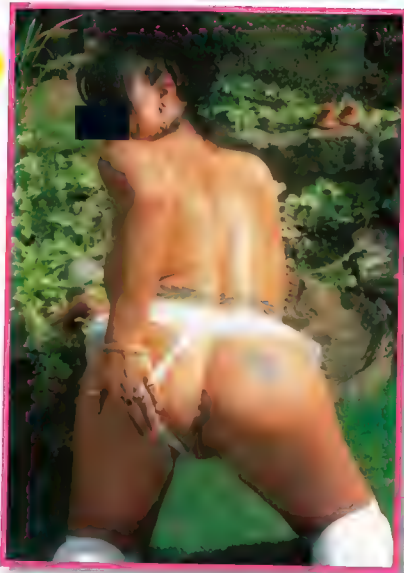

time to leave, as they were obviously having a private moment, but when I went over to give them a friendly hug goodbye, Laura gave me this huge kiss on the lips. No tongues, but lingering.

Katie said something to Laura like, "I know she's gorgeous but behave yourself!" And, well, I love a compliment as much as anyone. I turned to kiss Katie and made it a full-on snog, then did the same for Laura. I'm bi and Katie was more my kind of woman, but I wouldn't have kicked either of them out of bed.

As I kissed Katie again, I ran my hands up and down her body, drawing her closer to me as I stroked her tits. I undid her blouse and pulled them out of her bra, squishing them together into a cleavage and rubbing my face against them.

Then I sucked on each nipple in turn. Katie let out these little pleased moans, then pulled away so she could strip off.

Then she stood in front of me,

## She mashed her cunt up against my hot wet mouth

legs played.

I spread her labia. She was wet although her clit was still just a little pink button. But, as I flicked it with my tongue, it swelled right up.

Laura got in behind Katie and started playing with her asshole, parting her cheeks and tonguing her

owners' glass and crocks crashing to the floor, but nobody was hurt. Even so, I stuck around to help them clear up.

I knew it was a couple of girls living there, Katie and Laura, and I'd always taken them just for flatmates. But it soon became clear they were lesbians.

After we'd binned all the mess, they said they had wine – so could they borrow some glasses? I went and fetched some, and we were soon getting stuck into our second bottle.

The two of them were sat on the couch, and the drunker Laura got, the more touchy-feely she got too. Katie tickled her off, saying not when they had company, but I told them not to mind me. "Come and sit over here if you want," said Laura. I thought this might be

rim, then dipping a couple of fingers inside it. That did it for Katie, judging from the way she started mashing her cunt up against my mouth.

This double push on Katie's clit and arsehole really got her juices flowing. So I slipped three fingers into her hole, fucking her hard until we'd brought her off. Now Laura moved over to me, pulling my jeans and knickers off.

She got her face in between my thighs and started tongue-fucking me, just shoving it in and out. Obviously, it was a good bit smaller than a cock, but it seemed to do the trick. I felt myself start cumming – intensely.

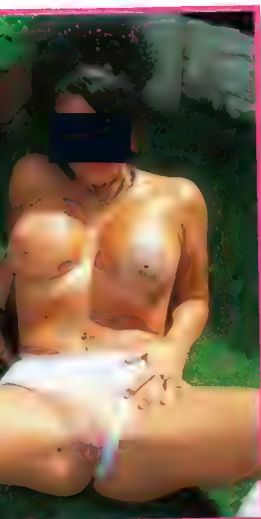

Eventually, though, I started building up to something more powerful, and when Katie – now recovered – began fingering my arsehole, it started to hit.

Every muscle in my crotch and arse tightened up, and then this massive judder just powered through me.

I thought Laura might have to take care of herself just for now, but Katie moved in to make her cum, and I decided I'd stick around long enough to return the favour too.

Shagging your neighbours isn't always the best idea. But now and again we'll have a little fun – like when they asked me to help test out their new king-sized bed.

*Fiona, Newport.*

## Of A Sex Shop Worker

**This Christmas, 'Daisy Blade' will be giving the gift of orgasms as she spreads festive pleasure as a shop assistant at a West End sex emporium. A true story...**

work because I really like sex, I know about sex toys (thanks to my vast personal collection), I believe sex education doesn't end at school and I'm not shy. Talk to me about anything and you'll be hard pushed to make me blush. Not even the man who spent fifteen minutes on my first day talking to me about his new explorations into anal sex and his fears about what will happen when he spunks up his girlfriend's arse, could raise a flush to my cheeks.

Yes, sex shop sales assistant seemed like the obvious choice and the Erotic Emporium seemed like the perfect place as it's located on a busy London high street. Sex shops are finally coming

out of the seedy shadows and even women are comfortable walking in. That's not to say we don't still get our fair share of oddballs.

It doesn't matter how main street you are, or how busy it gets, where there's sex, there's colourful characters. You need to be prepared to see everything, from the cross-dressing sissy maids, fresh-faced 18-year-olds buying their first vibrator, new mums looking to recapture their sexiness and the kinky couples that want to test every whip before taking one home.

There are even couples that simply can't wait until they get home and I've

together I put on my best scornful face, hid the lust, and helped escort them off the premises.

There are the interesting "regulars" too. The first I encountered was a week into my training when the manager was teaching me all I needed to know in the hardcore, back part of the shop. This is where all the porn, boys' toys and bondage gear is kept. Ultimately, it's the area of the shop that the proper pervers are drawn to.

This particular regular is a religious fellow and always invites us to church to "save our souls". After we decline, he takes himself to the back

**T**he high street is busy, the sex shop is buzzing and there's white stuff all over the window. The buzzing is probably because someone left a vibrator on, again, and the white stuff is the mound of fake snow that's been pumped out all over the window display. Obviously, Christmas is coming, but rather than offering the usual cutesy toys or traditional gifts, we're heading for an XXX-mas.

Our 'smellies' are erotic massage candles, our remote control toys come with 10 different vibration speeds and our stockings are sheer, seamed or crotchless. This Christmas will mark a year since I started working in the Erotic Emporium (not its real name) and what has unravelled in front of me is a world of gorgeous, kinky people that love sex as much as I do. Finally – a place to fit in!

Having applied for the role of sales assistant, I opted for sex shop

**"Two young lovers got carried away amid the restraints and ball gags"**

been forced to throw two young lovers out when they got carried away amongst the restraints and ball gags.

Although I was tempted to hide behind the shelves of porn and watch to see how far they'd go as she undid his fly and slipped her hand down the front of his jeans, unfortunately my manager picked them up on the camera and ruined the fun for all of us. Pulling myself

of the shop and watches the DVD trailer we have running on loop. The hypocrisy of the situation isn't lost on me as he stands and watches, moving his hands from his pockets to clapping them behind his back when temptation becomes too great. I often wonder how he rationalises this in his head and which part of the Lord's work he's doing? After I'm over that philosophical moment, I usually find it fun to speed the video up because high-speed porn is pretty difficult to watch.

When he's got enough fuel for his wank oank he strolls back over. "I'd like to thank you for being so pleasant. I love you and the Lord loves you. Goodbye." He never buys anything, but you can't fault him for politeness and he's harmless.

There's a lot of lovely

people that come in too, who genuinely want your help so they can improve their sex lives. Like I said, sex education doesn't stop when you leave school and there are now more sex aids than ever on the market. It's not surprising people need guidance and that's what my colleagues and I are trained to do. Experimentation is what makes sex wonderful and I find it highly satisfying to help people buy the next bit of kit that's right for them so they can learn a bit more about their sexual preferences.

Whether it's a sex shop

virgin, overwhelmed by the number of dildos and vibrators on offer, or the seasoned sex toy pro wanting the low-down on the latest designer pleasure gadget, I'm always happy to help and make sure they go away with the right sex aid.

Finding the "perfect" toy is very much like a debauched version of Goldilocks and it's worth spending a bit of extra time and money to find the one that's just right for you. Getting the wrong one can be a big anti-climax.

Sometimes offering to help means getting personal with customers. I've lost count of

how many pairs of tits I've seen when fitting corsets, or helping strippers that come in to buy a new outfit and parade around the changing rooms in nothing but a thong.

Saying I never plushed may be a lie. There was an occasion when I was helping a very buff bloke with a leather harness for a fetish party later that evening. I didn't expect it, but he whipped his top off while I was still in the changing room and the sight of rippling muscles and big, manly shoulders meant that I'd

be taking one home for the bank that night.

His girlfriend didn't seem to mind me perving either and I could only imagine how the other women at the fetish night would want to drape themselves over him. Maybe his petite girlfriend would play mistress and regulate what pleasures were bestowed on him.

Only once has the customer/sales assistant help boundary been crossed and that was when a man got

a vibrating egg stuck up his arse. I'd sold it to him only an hour before when he'd told me it was for his girlfriend. When I heard him on the phone, it didn't sound pretty. "The cord to pull it out has snapped and now it's stuck up my bum... and there's blood," he explained.

"Right, well have you tried to fish it out with your fingers? It's not really supposed to be an anal toy."

"I tried that. It made it bleed more."

"Perhaps hospital is a good idea?"

Silence.

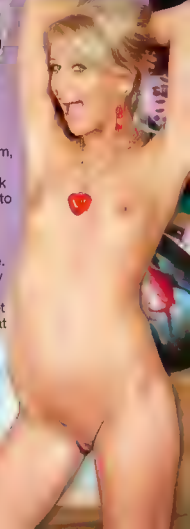

"Ok," I say, "Have you tried pushing it out, like doing a poo? Your anal muscles will just pop it out."

"Right, I'll try that." He hung up and I was left wondering how far help has to go when you're a sex shop sales assistant. It's not like I could leave him with it stuck up there!

Fifteen minutes later the phone rings again and my colleague informs me that "everything is fine." Thank fuck for that.

With so many sex toys to choose from, putting my wages back into the till to buy a new vibrator is a common occurrence.

But really it's the people I get to meet that really fire my imagination and libido and is the most pleasurable aspect of the job.

Someone's been a bad girl all year but is still expecting a treat on this feast of St Nicholas – or should that be Knickerless? "I cheated on my boyfriend with my workmate Anna," confesses Alison. "He says he's going to pay me back by doing the same. I said to him why didn't he just screw Anna. It would be really cruel of him to make me watch, then join in, wouldn't it?"

## Fucking Hull

A few months back, my hubby Carl and I decided to go on a shopping spree to Hull, to buy some new sexy outfits. We decided to get the train so we could both have a few drinks.

On the way back, Carl suggested I nip into the loo and try on one of my new dresses. It was only because

He was now craning his neck to get a better view, so Carl asked him to come and join us.

He introduced himself as Steve and sat at the table opposite. I could see by the bulge in his pants that he was turned on, so I started to show him a touch more cleavage and opened my legs so he could look at my lovely damp panties.

I leaned forward and took Carl's cock in my mouth while watching Steve pulling on his plonker. I'd never had another man's cock in my mouth but this was one opportunity I wasn't going to miss.

I beckoned Steve over to me and I soon had

## It was odd having a stranger's dick in my mouth

his big throbbing dick in my mouth too.

It was odd having a stranger's dick in my mouth (different shape, different taste, different heat) but it was also very exciting.

Carl didn't want to be left out so for the first time ever I had two bell-ends in my mouth, which was actually quite hard, given that they

both had such big dicks.

Steve started to moan that he was going to cum so I slid my mouth down as far as his balls and felt him twitch and stiffen up as he shot his load down my throat. Carl took his place and it wasn't long before he forced my head down and emptied his balls as well. Two loads in one day!

I'd had a couple of glasses of wine that I agreed – plus there wasn't anyone else in our carriage.

When I walked out of the toilet, I didn't realise someone else was now sitting near us, but it was too late to go back so I walked past him giving him a real eyeful.

I must admit it was a real turn-on knowing that he was watching so I started to tease him by standing up and bending over and giving him a good view of my knickers.

Carl was keeping a look out just in case the conductor walked down, so I asked Steve if he would like to get his cock out.

He didn't need asking twice and he quickly unzipped a huge cock with a big shiny bell-end. I pulled my knickers to one side and started to finger myself while he began to stroke his big cock.

Carl had decided to get his cock out too, and both of them were wanking furiously.

Boy, did she

Dear Escort,  
I just wanted to write in and let you know about the horny experience we had recently after my gorgeous wife Chloe appeared in your mag.  
One of the letters we received was from a couple,

Tim and Tina. They wanted to meet up with us - they said they couldn't wait to get their hands on Chloe's body.

We arranged for them to come and stay with us for the weekend and said we'd meet up at the local pub.

When we turned up we found out they had brought a friend of theirs along, Kelly.

She was very pretty, with gorgeous firm tits and a figure to match. Well, I thought all my Christmases had come at once! I was going to see my sexy wife get fucked by a total stranger and I was hopefully going to get to fuck three

juicy cunts all in one night.

All three girls had very short skirts on and were getting a lot of attention in the pub from the young lads who were in there.

We soon set off to go back our house. The girls were walking in front of us, groping each other's

peachy arses as they hurried ahead.

When we got home we wasted no time and went straight up to the bedroom.

Tom had told me on the walk that Tina squirted loads when she orgasmed. I had laughed and told him that Chloe was exactly the same. By the time Tom and I got up to the bedroom the girls were already naked.

Chloe and Tina had two fingers each knuckle deep in Kelly's wet juicy cunt and whilst Chloe had her tongue down Kelly's throat. Tina was sucking on Kelly's hard nipples.

Tom and I both had our cocks in our hands watching the girls. Kelly was now spasming with orgasm after

orgasm as the girls thrust their fingers up her now gaping red pussy. Once Kelly was spent, Chloe and Tina got me to lie on the bed. They faced each other and knelt over my face.

Kelly took her position

jet after jet of their juices squirted onto my face. It was just like they were pissing their juices onto my face. I thought it would never stop – it was just flowing from their cunts. I was soon creaming my hot

and started sucking my cock with Tom behind her sliding his thick cock into her swollen and abused cunt. She soon got used to his deep thrusts and was taking my cock and gagging on it with every thrust.

Chloe and Tina had their pussies just above

spunk down Kelly's throat and Tom pulled out and squirted his all over her burn.

I had never experienced anything as horny in my life, I can tell you.

We fucked another three times that night and each time the girls squirted just as much as the first time.

my face, frigging their swollen clits in unison.

Kelly was still taking the whole length of my cock down her throat when all of a sudden my wife and Tina started to shudder as

It was amazing to watch this juice spurt from their red puffy twats – the bed was piss-wet through by the end of the night.

Chloe, Lance

# REAL WIFE SEX

*Derek's story continued from page 19*

deep at first, but she wanted me to give her a proper stuffing. Soon I was banging her as hard as I've screwed any girl in the cunt, and she was lapping it up. I'd intended to shoot my load up her arse. But, as I got to the brink of

cumming, her cute-as-fuck little face and tits were even more tempting.

I pulled out and spurted all over her face, splashing on her jugs as well, wanking to wring out every last drop on them. She tried to give me this innocent look, but it doesn't really work when you've got a load of jizz dripping over your cheeks.

After a quick wipe-down of my cock she was playing with it again, rubbing

move around while still impaled on my dick until she was facing my feet. I'd noticed her reaching behind her as I'd shagged her, and now I saw she was playing with her own arsehole, sticking a couple of creamy fingers up it.

My cock started throbbing up against her pussy walls. I pulled out of her and

## **I wanted to see her face when I arse-fucked her**

started slathering her sticky juices all over her pucker, using my bell-end. She was moaning, begging me to fuck her – I said I would when I was ready.

I wanted to see her face when I stuck it in her arse, so I had her lie on the bed, legs up and back. I slid slowly inside her tight hole, watching her moan and shiver with pleasure. She felt so tight around my helmet I wondered whether I'd be able to get it past her ring, but suddenly it slid through, followed by the entire length of my shaft.

I fucked her slowly, just grinding

it all over her face and tits, coating it with my spunk. Then she licked up the whole lot of it, smacking her lips as she swallowed it down.

She gave me one last snog, then dressed and left, telling me the hotel room was paid for if I needed it. I couldn't believe she'd just piss off and leave me with the raging boner that was building! At least she gave me her knickers to toss myself over, and by the next morning, they were just this sodden, spunky rag as I relived again and again the

## You can't look innocent covered in a load of jizz

Shame it had to be a one-off, but there's plenty more where she came from. I've kept my ad online and will be following up a few more of the responses I've had! I often think of her though and if she reads this I'd love for her to get back in touch.

# NATALIA

A woman with blonde hair and dark eye makeup is posing in a kitchen. She is wearing a red fishnet top and black lace underwear. She is looking towards the camera with a slight smile. Her hands are resting on her thighs, which are spread apart. The background shows kitchen cabinets and a tiled wall.

Natalia's giving her boyfriend the Christmas present he's always wanted – this Escort spread! "We plan to sit in bed Christmas morning and flick through it," admits naughty Nat. "So I'll take this opportunity to say to him: I'm horny and want to have your cock inside me right now! The rest of your pressies can wait!"

## Fare's fair

**S**ince I became a mini cab driver, I've had lots of girls offering to pay me in kind. This older bird sticks

in my mind though – Wendy, in the pics here. Well, she didn't have the fare and told me I couldn't come indoors because she lived with a bloke. So we parked up round

the corner.

She took the lead, snogging me, then reaching down inside my trousers to wank my cock. She also managed to reach down and tip my seat right back. I'd been ogling her legs so now she slipped her dress- straps down, exposing her tits.

She snogged me again, then shoved a nipple in my mouth as she moved over to straddle me. Her knickers weren't that much of a barrier – it took one finger to pull them aside so I could get her sitting on my hand. As three fingers sank in her pussy, my cock began to

pulse against her palm – she felt so hot and sloppy and I couldn't wait to get inside her.

She was pretty eager, too. The second I slowed down the pace of diddling her fanny, she shoved my hand aside and guided my dick up her.

I groaned as she rode me,

## Three into one

**A** few months back, my fella Nick started going on about Gina, this new woman at work, saying how well they get on. When I asked him if he fancied her, he told me she was 41 and married. But I kept on till he admitted there was something about her.

I didn't make a big thing of it, then he told me she

and her husband, Marcus, had asked us to dinner that Saturday night. I expected Gina to look her age, but when I actually met her, I couldn't believe how young she seemed. But the biggest surprise was Marcus – he was 30 and horny as fuck. And he was flirting with me so much I let it go when I noticed Nick and Gina playing footsie.

About 11pm, Gina said she was going to bed. Nick whispered to me, "Are you OK with this?" I could have said no and ruined their plans, and he knew it, but I gave him a big kiss and said, "Just for tonight, OK?" I knew I'd been set up, but at least I'd been fixed up with a horny bloke!

Marcus offered to drive me home, not making any assumptions, but I asked him which bedroom we were in. "Same one as them, if you're up for it," he said. I said we should give them a bit longer alone – they'd obviously wanted this for ages. Then I let him strip me down to my

bra and knickers. I don't have much sexy lingerie but he loved my "virgin white" undies – just simple cotton ones.

We snogged, his tongue driving into my mouth. I could already feel the juices seeping out of my snatch. Then he

between my legs, stroking my pussy through my moist panties, so they moulded to my folds. Then he yanked them to one side and started fingering me.

Off elsewhere in the house we heard loud female moans

– Nick and Gina getting on better than ever. Marcus kissed me again, fingers still in my pussy, then led me

tightening and squeezing around me. Then, suddenly, she pulled off me. I thought maybe she'd seen someone coming, or thought her bloke

but surely penetrating it as she lowered herself down. The dirtier and riskier the sex, the more she got off on it.

Her pussy was running with

Now my cock was touching the opening to her bum, and after a minute of pushing against it I felt myself slowly

I wondered if her fella noticed how hot and swollen her pussy was!

through to their room.

Gina was sprawled out, giggling in that well-fucked way, while Nick was lying back too, a soaking-wet semi against his thigh. He gave me a big hug and kiss and Marcus kissed Gina. Then Marcus shunted them right apart, positioning me on all fours on the bed between them.

Gina sort of smirked at Nick, and moved in to suck on one of my tits. Nick took the other one and Marcus started screwing me slow. Gina teased a powerful orgasm out of my clit as

Marcus spunked up me. Gina licked the spunk out of me and started kissing me, passing her husband's spunk mouth to mouth, while her hand went back in between my thighs and friggd me to another orgasm.

While I had no regrets I worried that it would make Nick want to swing all the time.

He said he wouldn't rule it out now and again, but the way I'd been that night proved how sexy and daring he found me.

## Help yourself

Living at home with my parents can be a drag – except when hunky charity shop drivers come around!

As I showed him to the lock-up, where Dad had stacked all the boxes of junk, I walked ahead of him so he could get a good look at my arse – my shorts really showed it off. Then I told him to help himself.

He took the hint. He lay me

not have wanked himself any stiffer than he already was.

My little pussy was creaming like crazy just with anticipation, and when he knelt between my legs and fingered me, rubbing my wetness on his prick, the tension was almost too much to take.

He suddenly asked whether my parents were due home. "Yeah," I said. "In like six hours."

At fucking last, I thought, as his prick pressed against my

labia once more, then slipped inside me. He let out a groan too, at the feel of my wet walls around him. I clasped my legs to his sides, holding him deep inside me, and just let him shag the arse off me.

He pulled out of me, his prick dripping, then wanked it hard. He splattered my big baps creamy white, then spanked them with his helmet.

He flopped down next to me, needing a quick breather before he loaded up his van.
